Commissioner for Patents
P.O. Box 1450

Dear Sir:

As instructed by Donna S. Greene at the United States Patent and Trademark Office, Applicant is providing this paper to withdraw the holding of abandonment for the above-captioned application.

Applicant received a Notification of Abandonment (Exhibit A) on February 6, 2008. The Notification of Abandonment states that Applicant failed to respond to the Notification of Missing Requirements mailed on September 20, 2006 (Exhibit B) within the time period set therein. Applicant did, however, respond to the Notification of Missing Requirements on November 13, 2006, which is within the two month time period set forth in the Notification and is, therefore, a timely response thereto. Attached to this letter is a true copy of Applicant's timely response to the Notification of Missing Requirements and proof by way of a date-stamped post-card returned by the United States Patent and Trademark Office that the response was timely (Exhibit C).

Therefore, in view of the true copy of the response and proof that the response was timely, Applicant respectfully requests that the holding of abandonment be withdrawn.

Respectfully submitted,
